Sheila Kelley S Factor is a Journey to self-confidence, feminine strength and fulfillment. Their mission is to visualize the world through the eyes of a woman, and to make sure a woman's gaze defines everything we do and say and live. Inspiring women to reach their highest potential, S Factor respects and celebrates all women around the world.

On August 6th, I will be participating in a dance-a-thon at Sheila Kelley S Factor LA to raise money for the Los Angeles Good Shepherd Shelter for battered women.

I would love your support in the form of a pledge donation. All proceeds benefit the Good Shepherd Shelter.
